Attendance at all events is only available for owners and their employees. Charges will apply for any additional attendees and must be pre-approved by Corporate. No one under 18 will be permitted.

Lodging: **You are responsible for your own lodging and hotel reservations**, so you may stay at any property of your choice. We have negotiated a **group discount of \$99 per night per room** (single or double occupancy) for a Standard Room, plus taxes or incidentals, for anyone wishing to stay at the Red Lion. The group rate applies to Mon-Thu nights, plus the 3 nights ***before and after the convention!*** You may arrange to arrive earlier or leave later than the block we have reserved. However, you should confirm the rate for any days outside of this block when you call to make your reservation.

For the Red Lion, you may **make your reservations by calling 1-877-339-3978**. You must **identify yourself as an attendee of the ITEX Corporation Convention**, to obtain a room reservation under the above-mentioned block. Without this identification, you will not be quoted our special group rate and may be told that they are sold out. When you make your reservation, you will be asked to provide a major credit card or send a deposit for your first night's room and tax. If a credit card is utilized, it will automatically be charged the first night's room and tax.

The cut-off date for the room block is Monday, April 23, 2012. Any reservations received after this date will be accepted on a "space available" basis. There are a limited number of rooms blocked, so please make your reservation as early as possible. All registered guests will be required to present a credit card upon check-in, for incidental charges. You are responsible for all room charges.

Cancellations on individual rooms will be accepted up to 48 hours prior to the scheduled date of arrival with no penalty fee. However, any individual who cancels their reservation after this cut-off will be responsible for one night's room and room tax. You must contact the hotel directly in order to cancel your reservation.
